

Reading

- Read every day and record it in your Reading Diary.
- Reading comprehension. Answer the questions into your books (either A, B or C).
- Answers are on our website.

Extended Writing

- Using the picture as a stimulus, let your imaginations flow with our creative writing task (either A, B or C)!

Punctuation & Grammar

- Complete the worksheet about writing speech on the website (either A, B or C).
- You may find this website helpful:
<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/ztcp97h>

Spellings

- Practise these spellings Monday to Thursday. Get someone to test you on Friday.

technician	musician	circle
beautician	calendar	complete
physician	centre	
mathematician	certain	

Maths

- Rockstars Timetables
- Complete the worksheet(s) on the website – converting time.
- You may find this website helpful:
<https://www.bbc.co.uk/bitesize/topics/zkfyedm/articles/zcrmqtj>
- Go to the White Rose Maths website, watch the video and then have a go at week 1 lesson 1 for either year 3 or year 4. (Please don't go beyond lesson 1 at the moment)
- <https://whiterosemaths.com/homelearning/year-3/>
- <https://whiterosemaths.com/homelearning/year-4/>
- Have a go at the worksheet for lesson 1 (a copy of the worksheet, and the answers is also on our website.)

History

What special features are there in the biggest cities in Europe?

- Choose 3 cities and compare their various attractions (rivers, food, landmarks etc.).
- On Google Classroom create a presentation using Google Slides. Can you include hyperlinks? (To login, just add @standlake.oxon.sch.uk to your username.)

Science

What positive and negative impacts do humans have on plants and animals?

- You will find this website helpful: <https://www.bbc.co.uk/teach/live-lessons/blue-planet-live-lesson/zn7tkmn>
- Create a table to record how much plastic waste your household produces in a week. How might our plastic waste impact on plants and animals?

RE

Is forgiveness always possible for Christians?

- Complete the end of topic worksheet for RE.

ART / DT

Design and make something useful from a used plastic bottle.
Take a photo. Then email it to us, or put it in your Home Learning Book, or upload it to Google Classroom.

Music

Please email us for your login details for 'YUMU' – the home learning part of Charanga.

Now log into 'YUMU' using the username and password on your letter. Have a go at 2 or 3 of the tasks we have set you.

PE

Join in with the Joe Wicks morning PE Lesson – find it at 9-9:30am every weekday morning on YouTube.

Computing

Can you record your household plastic waste using Google Sheets? Log onto Google Classroom to see an example.

Russian

Remind yourself of the Russian alphabet on the following website, then see if you can teach your family too!
