

Reading

- Read every day and record it in your Reading Diary
- To complete either A or B reading comprehension and then mark it.
- Continue with your CPG book as you wish

Extended Writing

- Did you go out on Thursday evening and clap to show your gratitude for all the NHS workers?
- Create a newspaper article about the gratitude of people during this pandemic you could include the clap, rainbows, volunteering etc.
- You may find this website helpful: <https://www.bbc.co.uk/newsround/52060436>
- You could use the template and word mats to support your learning.

Punctuation & Grammar

- Complete the determiners worksheet A, B or C.
- You may find the word mat and PowerPoint useful to support your learning.
- Continue to work through your CPG book as you wish

Spellings

- Practise these spellings Monday to Thursday. Get someone to test you on Friday.

magically	actually	pronunciation
truly	accidentally	conscious
frantically	historically	controversy
carefully	criticise	convenience

Maths

- Rockstars Timetables and continue with your CPG book
 - To complete the ratio language sheet A, B or C.
- Go to www.whiterosemaths.com/homelearning/, then following the links to Year 6, Week 1, Lesson 1 (ratio). Watch the video and have a go at the activity. Please don't go beyond lesson 1 this week.

History

What is a Caliphate and how was the first Caliphate formed?

- You may find this website helpful:
<https://www.ducksters.com/history/islam/caliphate.php>

Science

Can you create your own circuits?

- To complete your own circuit and record the circuits you made in your book and label.
- Use this website :
http://www.cleo.net.uk/consultants_resources/science/circuitWorld/circuitworld.html it will not work on chrome as of the flash player so use Microsoft edge (the big e).

RE

Do festivals show that Christianity is still a strong religion?

- List all of the festivals that you can think of around the world e.g. birthdays, Christmas etc. Sort them into Christian festivals and other festivals.
- Now use your list to answer the question

ART

Based on what we have already learnt about Baghdad city scapes, have a look at the following artist Widad Orfali and create a Baghdad city scape in a similar style. Have a look at his paintings here for inspiration:
<https://www.orfali.net/category/54-widad-orfali>

PE

Create your own PE circuit plan in your book. Think about the different stations and areas of the body you would like to exercise. If you can get someone to complete your lesson.

Computing

Spreadsheets - collecting data

- Collect some data over a couple of days e.g. how many birds come into the garden?
- Then put this data onto google sheets. Look at my example if you are unsure. We will be using this next week to create graphs.

Music

Log into YUMU and complete the task you have been given. If you would like your log in please email:
Shakespeare@standlake.oxon.sch.uk

French

To create a new animal by combining two (or more) animals. Create its name by using parts of the French and draw a picture of your animal. See sheet for explanation.
