Dear Parents and Carers

Murphy Class are planning a school trip to Earth Trust, Little Wittenham on Monday 30th March

This links with our topic 'Growing and Change'. During the trip we will be going on a mini beast hunt and making clay representations of the minibeasts we find. We will also be making toad huts and taking part in some worm charming. This will enable us to apply our knowledge of minibeasts, their habitats and begin to understand the impact humans have on the natural world.

The trip will take place during the normal school day and the children will need to bring a water bottle and a packed lunch (please let us know if you would like a school packed lunch provided). The children will need to wear their school top, a warm coat, waterproof trousers (as we will be getting muddy!) and wellies. We will be leaving school at 9:30 and will be returning for the end of the day. If this day is not usually a day in which your child attends nursery, they are still invited to join us for the trip.

We are asking for a contribution of £14 (to be paid on Parent Pay) to cover the cost of the coach and the workshops whilst at the Earth Trust. We do not receive enough contributions then unfortunately the trip will not be able to go ahead. Please can you pay the agreed contribution and give permission for your child to attend this trip via ParentPay by Friday 6 March.

Please speak to any member of the team if you have any questions.

Kind regards

Mrs Nichols
