Monday 20th April

Dear Parents

Welcome back to a new term. I hope the Easter Bunny managed to sneak some chocolate eggs to you - while maintaining an appropriate social distance!

This week's HLPs are now live on Google Classroom. The few parents who need a paper pack have been given their allotted time for collection from the playground today. Please use this same time in the weeks ahead.

I am aware that we sent out a lot of information in the weeks before the holiday so we have summarised our Home Learning Approach and Guidance in the attached document. Please use this document as your main source of reference. A slightly different approach is being taken by Nursery and Reception and Mrs Nichols will email parents about this.

Thank you to everyone who completed the EPA Home Learning Survey. Your feedback has been really helpful.

We are expecting that it is going to be a little harder to motivate the children back into a routine of Home Learning after the Easter break. To give them a little incentive we will be having an Achievement Assembly (with a difference) on Friday morning where we will celebrate the work and challenges that some children have been doing during the week. We will also be sending 'Congratulations' postcards home for those in the Achievement Book. The assembly will be pre-recorded and put on the school website homepage at 9am on Friday.

Don't forget, if you send me your Mr Denham's Challenge photo's, I will put them up on the 'Children's Page' of the school website for everyone to see. Please send the photo's directly to this email address: mrdenhamschallenge@standlake.oxon.sch.uk

I hope you have a good week and I look forward to 'seeing' lots of you for our virtual Achievement Assembly on Friday.

Andrew Denham
