

Topic Title: Awful Egyptians
Class: Shakespeare
Term: Spring 2

Key Texts

Key texts we will be using this term:

- Non-fiction texts on mummification and Egypt

Key Questions

Things we will be finding out from our topic:

- Who were the Egyptians?
- Who was Tutankhamen?
- What is mummification?
- How has Egypt changed over time?

English

We will be learning to:

- Write to inform - instruction texts on mummification
- Write to inform – to produce a leaflet all about Egypt
- Write to entertain – to produce a comic strip based on an Egyptian myth
- In SPaG we will be looking at: prepositions, verb agreements, modal verbs, relative pronouns and clauses, parenthesis, colons, semi-colons and commas.

RE

Is the resurrection important to Christians?

We will be learning to:

- Think about what happens when people die
- Understand the difference between resurrection and reincarnation
- To research funerals in a range of beliefs
- Explore faiths view of heaven
- Discuss whether the resurrection of Jesus makes a difference to what Christians do and how they should live

Maths

We will be learning to:

- Use long multiplication and short division for digits up to 4×2 and $4 \div 2$
- Investigate measurement and be able to convert measures
- Investigate temperature and being able to read thermometers, compare and convert
- Explore timetables
- Express missing number problems algebraically

Active and Creative Learning

How will be getting active and creative?

- In art we will be creating our own Tutankhamen masks
- We will make our own Tutankhamen tombs
- In PE we will be learning the rules to Hockey with Mrs Edmunds, completing HITT sessions and bench ball/ dodge ball with Mrs Conroy
- We will be swimming every other week
- Some Year 6's will be completing their cycling proficiency
- Closer to Easter we will create Easter cards and Easter baking/making

Science

We will be learning to:

- Explain that light travels in straight lines from light sources to our eyes
- Understand how mirrors reflect light, and how they can help us see objects
- Investigate how refraction changes the direction in which light travels
- I can investigate how a prism changes a ray of light
- I can investigate how light enables us to see colour
- I can explain how shadows have the same shape as the object that casts them

Inspiring Learning ideas

Planned activities:

- In Science we will create our own shadow puppet shows
- In English/Geography we will create a brochure all about Egypt
- In History we will be investigating artefacts
- In ICT we will be looking at creating our own web pages
