Friday 11<sup>th</sup> September

Dear Parents,

I hope you have all had a good week. I suspect you may have some very tired children coming home today! Caffeine and cake have kept us going!

We are continuing to be vigilant in our efforts to stop the spread of infection in our school community. We had an informal inspection from the EPA Central Team this week to ensure we are following the Risk Assessment we have in place. They left feeling reassured that we are doing all we can in challenging circumstances. Making sure there is appropriate social distancing by adults, particularly at pick up and drop off, is a common theme amongst many schools including ours. So please remember... **Hands Face SPACE**

I am delighted to announce that Mr Brown and his wife had a healthy baby girl yesterday. She is called Naomi Esther and weighed in at 6lb 6oz. Mrs Brown and the baby are all well. Naomi's two brothers are very excited! Mr Brown is doing fine, too!

Mr Brown will be on paternity leave for the next two weeks. Mrs Conroy will be covering his class with Mrs Pullin and Mrs Cox continuing to teach Morpurgo class.

It is nice to have some happy news to share with you!

Have a lovely weekend.

Andrew Denham

PS. I am sorry our website has not been updated since last term. It will be next week...

PPS. Have you remembered there is an INSET day on Friday the 25<sup>th</sup> September?
