14th September 2021

Dear Parents

Overleaf is an outline of the clubs available this term.

At 3.30pm on Wednesday afternoon (tomorrow) we will be sending out ParentMail payment items. If you would like your child to attend the club you will be able to register them by making a payment upfront on the appropriate item.

There are limited numbers for some of the clubs. If you are unable to make a payment it will be because all of the spaces have been taken up. Please send an email to the office to ask to be put on the reserve list for the club your child would like to attend. *If there are a significant number of children on the reserved list we may be able to allocate another member of staff to the club so that we increase the numbers.*

Financial subsidies are available for some children so don't let money be a barrier to your children coming to a club. Please speak to the school office about this.

The Football Club is run by Stuart Wells from Club Energy, which is an outside agency. Parents will need to pay Stuart directly but for the purpose of registration, we are asking parents to still make a £0.00 payment on ParentMail so that we can pass on your contact details to Stuart. He will then organise payment directly with you on the first training session. Stuart is charging £25 for 5 sessions.

Children can attend a club then join Vicky's After School Club afterwards. Please contact her directly if this is going to be the case. *Please note that parents will still need to pay the first hour of ASC even though their child is attending a staff led club.*

The school values and rules apply to the clubs just as much as the school day. In registering your child for a club, you and your child accept responsibility for their behaviour choices and if they do not live up to the Standlake expectations your child may be asked to miss the following session or leave the club, without a refund.

Most clubs will run for 10 weeks, starting in the week commencing 20th September (apart from netball that start the following week) and will continue after half term. The last week of the clubs will be week beginning 29th November. There will not be any clubs in the last two weeks of the school term.

Please sign up on ParentMail by midday on Monday 20th September

I am very grateful to the staff who are offering their time to deliver the clubs after school for the children so that we can further extend the extra-curricular activities and experiences they have in school.

Kind regards

Andrew Denham
