

English We will be learning to:

- Read and discuss The Butterfly Lion by Michael Morpurgo
- Write a setting description and a diary entry for Millie
- Write a discussion about whether animals should be kept in a circus

Maths We will be learning to:

- Revise the concept of multiplication and the 3 and 4 times tables
- Money - converting from pounds to pence and giving change.
- Fractions – making a whole, tenths as fractions and decimals, fractions on a number line.

Science We will be learning to:

- Plan a healthy and nutritious meal
- Classify animals according to the kind of skeleton they have

RE We will be learning to:

- Has Christmas lost its true meaning?
- Think about what Christmas items represent the true meaning of Christmas and what other things are linked to other traditions?

Geography We will be learning to:

- Name and label on a map the countries in Europe
- Name and label the capital cities, rivers and mountains of Europe
- Produce a tourist board for a European country in groups

Weekly Home Learning

Please record your **daily reading** in the diary, practise your **spellings** and **Rockstars timetables**. You can also complete one of the optional activities below:

Find the temperature of different European cities.

Find out how to say 'hello', 'goodbye' and other key phrases in different languages.

Make a traditional dish from a European country. Bring it in, or take a photo.

Find out about a European scientist.

Make a 'Top Trumps' game for different European countries.

Plan a trip to a European country. Think about transport and things to do there.
