- Explore the properties of materials
- Create something using appropriate materials based on their properties

**RE** We will be learning to:

- Key question: Was it always easy for Jesus to show friendship?
- Explore stories where Jesus was a friend and explain how to be a good friend.

**Topic** We will be learning to:

- Explain how toys have changed over the years
- Sort and compare old and new toys
- Express the changes made in toys using our knowledge and understanding of the past.

**Weekly Home Learning**

Please record your **daily reading** in the diary, practise your **spellings** and your **tricky word keyrings**. You can also complete one of the optional activities below:

Interview your mum/dad about their favourite toy and create a fact file on it. A picture would be great too!

Draw a picture of your favourite toy and tell us why it is your favourite

Create a new game/toy that you can play with your family.

Explore your toys at home- what materials are they made from? Create a tally chart to show the most used material.

Teddy needs a new waterproof coat. Can you design and make him one using any materials?

Recycle/repurpose or donate some of your old toys to other children who may not have any.
