

When I Grow Up

English We will be learning to:

- Listen and Read *You're Snug With Me'* by Chitra Soundar
- Build sentences using descriptive language and punctuation
- Write about things that happened in the past by adding the suffix -ed

Maths We will be learning to:

- Counting and representing the value of numbers 0-100
- Identifying tens and ones of two digit numbers with a part whole model
- Use fact families to add and subtract bonds to 20

Science We will be learning to:

- Identify our senses
- Explain which part of the body uses what sense
- Understand how offspring grow into adults with reference to life cycles

RE We will be learning to:

- Listen and discuss the story of the Lost Son and the story of Jonah
- What did Jesus teach?
- Should we forgive someone even when it is difficult to be

Geography We will be learning to:

- Identify physical and human features of a geographical location
- Compare and use different maps to find physical and human features.
- Draw a map of an imaginary place and label the human and physical features.

Weekly Home Learning

Please record your **daily reading** in the diary, practise reading the key vocabulary for the week. You can also complete one of the optional activities below:

Think of your favourite location. Where is it on a map?
Can you draw a picture of your favourite location?

What would you like to be when you are grown up?
Draw a picture and write what you want to be.

Create a 'kindness jar.'
Decorate a jar. Then, every time you do something kind, write or draw it and place it in the jar.

Draw a picture that illustrates your favourite memory from the summer holiday.

Draw a map of where you live. What features have you put on your map?

Back to School Baking!
Bake some delicious treats. Write down the recipe and take a picture to stick in your homework book.
