

English We will be learning to:

- Write a missing person's report (Character description)
 - Write a section of the class novel from an alternative viewpoint
- Our class novel this term is 'Letters from the Lighthouse' by Emma Carroll

Maths We will be learning to:

- Find the perimeter of rectilinear shapes
- Find equivalent fractions and use this to add and subtract
- Recognise and use decimals with up to three decimal places.

Science We will be learning to:

- Name and order the planets of the Solar System
- Explain how the Sun, Earth and Moon move in relation to each other.
- Describe how the Earth's rotation gives us day and night.

RE We will be learning :

- How the bible can help to guide Christians
- What instructions God gives humans for treating the Earth as God's good creation
- What Christians can learn from the creation story

History We will be learning to:

- Describe the events of the Blitz and explain how Britain responded.
- Analyse the advantages and disadvantages of evacuation
- Evaluate the impact of codebreaking during the war

Weekly Home Learning

Please record your **daily reading** in the diary, practise your **spellings** and **RockStars timetables**. You can also complete one of the optional activities below:

Write a book review of your favourite book to go on display in our book corner

Create your own code and write a secret message!

Write a letter home from the perspective of an evacuee talking about your experiences

Make a 3D model of the solar system

Design a pamphlet advising people how to stay safe during the Blitz

Find examples in everyday life where decimals are used
