

**Blood, bones and
body bits!**

English We will be learning to:

- Write a newspaper article using themes from our class text 'Pig heart boy'
- Write a balanced argument entitled *Should animals be used to benefit humans?*
- Write a diary entry based on the main character from our story

Maths We will be learning to:

- Read, write, order and compare numbers up to 10,000,000 and determine the value of each digit.
- Rounding numbers and negative numbers
- The 4 operations (addition, subtraction, multiplication and division)

Science We will be learning to:

- Identify and explain the circulatory system.
- Describe the ways in which nutrients and water are transported in animals.
- Explain how diet and exercise impact upon human bodies.

RE We will be learning to:

- What is the best way for a Muslim to show commitment to God?
- What are the five pillars of Islam and why are they important?

History We will be learning to:

- Record the developments in human medicine over time
- Discover the famous doctors and medics
- Debate whether advances in medicine are 'playing god'

Weekly Home Learning

Please record your **daily reading** in the diary, practise your **spellings** and **RockStars timetables**. You can also complete one of the optional activities below:

Draw or create a labelled model of the circulatory system

Write a book review about a book you have read and finished this term

Create a presentation about the discoveries of a famous medical doctor from history

Plan, cook and eat a healthy meal

Practise rounding numbers to the nearest 10, 100 and 1000

Create a piece of artwork that shows the five pillars of Islam
